COLLECTIVE ACTION ALLEGATIONS

26. Plaintiff brings this action on behalf of himself and other employees similarly situated as authorized under the FLSA, 29 U.S.C. § 216(b). The employees similarly situated are the collective class.
27. Collective Class: All persons who are or have been employed by the Defendants as laborers installing gutters and working on roofs, or other similarly titled personnel with substantially similar job requirements and pay provisions, who were performing the same sort of functions for Defendants, other than the executive and management positions, who have been subject to Defendants' common practices, policies, programs, procedures, protocols and plans including willfully failing and refusing to pay required overtime wage compensation.

28. Upon information and belief, Defendants employed between 10 and 15 employees within the past three years subjected to similar payment structures.
29. Upon information and belief, Defendants suffered and permitted Plaintiff and the Collective Class to work more than forty hours per week without appropriate overtime compensation.

There are numerous similarly situated current and former employees of Defendants who have been denied overtime pay in violation of the FLSA and NYLL, who would benefit from the issuance of a Court-supervised notice of the present lawsuit, and the opportunity to join the present lawsuit. Those similarly situated employees are known to Defendants and are readily identifiable through Defendants' records.
